Examination of Whitesides Before Judge Craig—He is Held for Manulaughter.

About mideight last Saturday night a man from Cincinnatt, by the name of J. T. H. Smith, was killed on the Jedersonville ferryboat Isaac Bowman, by William, also Budd. Whitesides. In the Democrat of last Tuesday we gave the full particulars of the killing, as also of the arrest of Whitesides. The accused yesterday had an examination before Judge Craig, of the City Court, being represented by Gen. Whitesides and Judge Joyes, while Capt. Ben. Harney represented the Commonwealth. The testimony upon the examining trial was about the same as that before the Coroner's jury, which was published in the Democrat of Isaac Bowman, by William, also of the City Court, being represented by Gen. Whitesides. The accused yesterday had an examination before Judge Craig, of the City Court, being represented the Commonwealth. Whitaker and Judge Joyes for the delense, and Capt. Harney for the Commonwealth, the case was submitted to the Court, the motion of the prosecution being to commit Whitesides to answer the charge of murder.

The Court held that, under the circumstances, taking all the testimony in the case together, there was a strong doubt as to whether the crime which had been committed was murder or manslaughter, and he decided to hold the party in \$1,500 to answer.
